***** The schedule may subject to change without prior notice*****

Sirindhorn International Institute of Technology, Thammasat University

P.O. Box 22, Thammasat Rangsit Post Office, Pathum Thani 12121

Tel: (+66) 2 986 9009 ext. 1002-6 Email: admission@siit.tu.ac.th

Candidate Qualifications:

- Non-Thai nationality
- An applicant **without** a high school diploma that complies with the regulations of the Thai Ministry of Education or its equivalent

Requirements:

- A successful applicant must **enroll as an external student** at SIIT (non-degree student).
- An applicant must register for courses planned for a regular student.
- During a period of enrolling as an external student, the student is required to submit a high school diploma that complies with the regulations of the Thai Ministry of Education or its equivalent to change the student's status to be a regular student (a degree student).
An example of a certificate/test equivalent to a high school diploma complying with the regulations of the Thai Ministry of Education is **General Educational Development (GED).*
- **To change the student status** from an external student to a regular student, at least three credits registered during the period of an external student must be transferred to the student's curriculum.
- Only courses with **at least grade "C" can be transferred** to the student's curriculum.
- In order to **obtain a bachelor's degree**, a student must **enroll as a regular student for at least one academic year.**

Application Process

1. Apply online at the admissions.siiit.tu.ac.th
2. Select admission type: **"External Student (SPI-U)"**
**In case applicants have already registered in the system from the previous round, applicants can log in and click apply without registering again. If not, the applicants must register in the system before applying.*
3. Carefully fill in the information, choose the program you wish to apply, and attach the required documents before clicking the 'Apply' button
(Applicants will not be able to edit or submit additional documents after they have submitted their application.)
4. Pay the application fees of 1,000 Thai Baht (non-refundable)

Payment Process (1,000 Thai Baht for application fee)

1. After having applied successfully, the application system will go to the 'Application Detail' page
2. Click the 'Application Fee Process' button. The system will bring up the 'Payment Form with QR Code'
3. Scan the QR Code for the payment (I-Banking or M-Banking is accepted)
4. If applicants cannot pay the application fee by QR Code, applicants can choose any bank accounts given below to pay the application fee directly:

The Agreement of Admission to Major Academic Programs

SIIT has 3 fields of study as follows:

Field of Studies	Programs
1. Engineering	<ul style="list-style-type: none">• Chemical Engineering• Mechanical Engineering• Civil Engineering• Electrical Engineering• Industrial Engineering and Logistics System
2. Computer Engineering and Digital Engineering	<ul style="list-style-type: none">• Computer Engineering• Digital Engineering
3. Management	<ul style="list-style-type: none">• Business and Supply Chain Analytics

All SIIT students are eligible to select Major Academic Programs at the end of their first academic year. Successful admission to a preferred major depends on a student's grade-point average at the end of their first academic year, as well as the demand for the chosen program. Priority for selection will be given to students who have selected that field of study at the time of their admission to SIIT.
