The Agreement of Admission to Academic Program

SIIT offers the following academic programs:

1. General Engineering Group (5 programs including Civil Engineering, Electrical Engineering, Chemical Engineering, Mechanical Engineering, and Industrial Engineering and Smart Logistics Programs)

2. Civil Engineering Program

3. Electrical Engineering Program

4. Chemical Engineering Program

5. Mechanical Engineering Program

6. Industrial Engineering and Smart Logistics Program

7. Business and Supply Chain Analytics Program

Applicants admitted to the General Engineering Group (1) is eligible to select an academic program at the end of their first academic year. For those who wish to change their academic program, they are allowed to reselect only the academic program listed in the same group during the academic program selection. Successful admission to a preferred academic program depends on a student's grade-point average at the end of their first academic year, as well as the demand for the chosen program.

Applicants admitted to the Civil Engineering Program (2), Electrical Engineering Program (3), Chemical Engineering Program (4), Mechanical Engineering Program (5), Industrial Engineering and Smart Logistics Program (6), and Business and Supply Chain Analytics Program (7) cannot change their selected academic program throughout their study.
